## Hildie Saunders Retires

On June 1, 2018 U.P. State Credit Union and our members said good-bye to Hildie Saunders after 27 years of employment. During her employment, she has learned five different computer systems, seen members families grow and change and made many friendships. "I will truly miss my co-workers and have grown very fond of our members, said Hildie. I look upon them as friends and the family of U.P. State Credit Union. Hildie has been married to her husband Terry for 44 years. Together they have three married children and 11 grand kids ranging from one to 13 years old. After retirement, they plan to spend more time with their grand kids, camping and volunteering at their church. We wish Hildie a wonderful retirement and thank you for your years of dedication to U.P. State Credit Union. You will be greatly missed.
